RESPONSE

20 Dear Sir:

25 Applicant would like to thank Examiner Duong for his  
 time and patience in answering Applicant's questions by  
 telephone on May 6, 2004.

30 Please find enclosed a power of attorney document  
 executed by the inventor appointing Mr. Clifford W. Vermette  
 as agent for prosecution of the present application.

35 It is Applicant's understanding that the amendments  
 submitted by Applicant in April 5, 2004, were not entered  
 because the form of the amendments was non-compliant. Upon  
 review of the prosecution file of the present application  
 Applicant has decided that some of the amendments submitted  
 in the letter of April 5, 2004 were unnecessary and that  
 other amendments were inadvertently left out. Accordingly,  
 Applicant requests that the amendments of the letter of  
 April 5, 2004 be withdrawn and that the following amendments  
 40 be entered.
